

NEWS FROM INDIAN TRAIL ANIMAL HOSPITAL SEPTEMBER

BACK TO SCHOOL MEANS A CHANGE FOR PETS, TOO!

As kids head back to school and summer schedules change, our pets notice the difference, too! Dogs and cats who have become accustomed to having their families around may suddenly find themselves with a much quieter house. A predictable routine can make the transition easier. Regular walks, puzzle or food-dispensing toys, short training sessions,, and some dedicated one-on-one time can all help keep pets physically and mentally engaged while everyone settles into the new school-year routine.

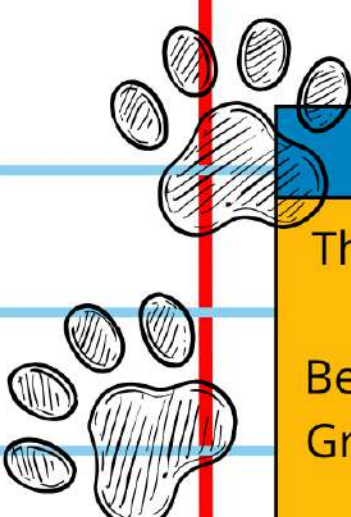

LABOR DAY: PETFORWARD IS HERE IF YOU NEED THEM

Indian Trail Animal Hospital will be **closed on Labor Day**, but our friends right next door at **PetForward Urgent Care** will be **open from 8 AM - 4 PM** for walk-in care. If an unexpected illness or injury puts a wrinkle in your holiday plans, PetForward provides same-day urgent veterinary care and is conveniently attached to our hospital.

PET LOSS GRIEF SUPPORT GROUP

The loss of a beloved pet can be incredibly difficult, and connecting with others who understand can help. Beginning **Monday, October 5**, a Pet Loss Grief Support Group will meet the **first Monday of each month from 6:00–7:00 PM at Zoom Room Dog Training**,

Led by a grief counselor with more than a decade of experience, the group offers a quiet, private space to share, remember, and connect with others experiencing pet loss.
